

School Direct PGCE Initial Teacher Training

At our school we recognise that part of our role is in training the teachers of the future and so are very proud to say that we work with Pickwick Learning to provide a school-centred training route into teaching. Our school is one of a growing number of partnership schools working with Pickwick to provide placements for trainee teachers in 2021-2022.

If you would like to train to become a teacher and would like to do so through Pickwick Learning, please use their [website](#) to find out all about Pickwick's School Direct PGCE programme.

To be eligible you will need a degree and English, Maths and Science GCSEs at grade C (level 4) or above.
