Dear Parents and Carers

We are currently developing a new 'Travel Plan', with the aim of reducing car-borne journeys to the school site and promoting sustainable modes of transport. We also wish to use this to evidence our passion to reduce the speed limit along Bradford Road from 50mph, or to introduce timed signage during peak hours.

As an important part of this, it is vital we access your views on the school journey and so are asking that every family complete the electronic questionnaire via this link:

Please complete the questionnaire by Friday 12th March.

I cannot stress the importance of this enough. It could be vital to the success of our fight to reduce the speed limit on Bradford Road and make it safer for all of our school and Rudloe community.

Thank you for your support in this.

Yours faithfully
