

Corsham Primary School

Year 1-2 Visitor
Tuesday 28th September 2021

Dear Parents and Carers

As part of our Enquiry “What is home?” we have been looking at British wildlife around our homes and have organised a visitor to come and talk to the children about hedgehogs on Tuesday 28th September. The Hedgehog Rescue is a volunteer-run hedgehog hospital and the co-ordinator, Yvonne Cox will talk to the children about the care, treatment and rehabilitation of over 300 hedgehogs every year; many of which are successfully re-released with the help of their network of volunteers. Weather permitting, she will be bringing hedgehogs with her for the children to look at outside.

All money raised from talks, adoptions, donations and sales go to help pay for food, cages and medication.

For more information, please visit: <https://youtu.be/gelmvgCKSw8>

We are asking for a voluntary contribution of £1.00 per child. (Please note the DfE rules: “Children of parents who are unable, or unwilling to contribute may not be discriminated against. However, if there are insufficient voluntary contributions made to cover the cost of the activity, and there is no alternative method to make up the shortfall, then the school should cancel the activity. Where there are not enough voluntary contributions, and there is no way to make up the shortfall, for example school funds and/or fundraising activities, then it must be cancelled”.)

We are very excited for the children to experience this learning opportunity.

Please make your contribution of £1.00 via your SchoolMoney account which you can access at www.schoolmoney.co.uk by Monday 20th September 2021.

Please be aware that this activity can only go ahead if we receive enough contributions.

Yours faithfully

Miss West, Mrs Mason and Ms Duffin
